California College does not offer a degree program.

COURSE DESCRIPTION/SYLLABUS

A. Course title: Early Childhood Education

The institution offers only one course of study. During the course of study, students do qualify for various employment positions in a Title 22 licensed childcare center prior to completion of the course of study.

B. Mission and Objectives

THE MISSION of California College of Early Childhood Education is to instruct students on campus or online to such competency levels that they are qualified for initial employment and/or career advancement in the Early Childhood field. The classes only satisfy the educational component required by the Community Care Licensing. Teachers must have six months experience in a licensed childcare center. Directors need four years of experience in a licensed childcare center. The education that students will receive include the acquisition of the body of knowledge presented in the educational program; the development of intellectual, analytical, and critical abilities, and fostering of values such as a commitment to pursue lifelong learning; and the mission relates to the educational expectations of the institution's students, faculty, and community that the institution serves.

The college relates to the educational expectations of students, faculty, and the community. California College of Early Childhood Education is a center of educational opportunities offering a comprehensive educational program to serve the early childhood community. It is inclusive and welcomes all who desire to learn. Its Mission is to meet the educational expectations that students seek and employees need to instruct to a level of competency to meet the physical and emotional needs of small children and their families through licensed childcare centers. The Faculty are trained experienced professionals who seek to share their knowledge with student learners and the community we serve.

C. Notice concerning transferability of units

Clock Hours that have been equated to unit credit in most cases will probably not be transferable to any other college or university. Units are not applicable for teacher credentialing or any Child Development Permits in California.

THE OBJECTIVES are to provide the students with basic skills to supervise and teach small children in a licensed childcare center.

Our goals and methods

To provide the necessary course work to qualify for employment/advancement under California Community Care Licensing, Title 22 regulations, by instructing students:

- How to meet the needs of the children through proper care and supervision.
- How to devise plans and implement procedures to accommodate play, rest, eating, toileting, and group supervision as well as individual attention throughout the preschool day.

- How to perform duties related to nutrition, housekeeping, health, and safety.
- How to perform the tasks associated with the operation of a child care center in a safe, effective, and professional manner.
- How to relate to colleagues, families, volunteers, and licensing analysts appropriately and professionally.

Our institution provides small class sizes to allow students to receive more individualized instruction from the instructor. Our faculty consists of caring, knowledgeable, qualified educators that have had practical experience in the early childhood field. We strive to maintain employer satisfaction within the community by providing professionally trained and educated graduates for early childhood education.

REGARDING THE STATE OF CALIFORNIA DEPARTMENT OF SOCIAL SERVICES, COMMUNITY CARE LICENSING, TITLE 22 REGULATIONS:

The courses have been accepted by the State of California, Department of Social Services, and Community Care Licensing Division under Title 22, Section 101215.1(i), and Section 101216.1(d):

“Approved schools, colleges, or universities, including correspondence courses offered by the same, means those approved/ authorized by the U.S. Department of Education, office of Postsecondary Education, or by the California Department of Consumer Affairs, Bureau for Private Postsecondary and Vocational Education.”

D. Professional Licensure

None of the educational services offered lead to occupations that require licensure. California does not license individual childcare workers; instead, a license is issued to a set of circumstances including personnel qualification among other criteria. Childcare workers are given a “passport” evaluation for various levels of qualifications focused on educational semester units and lengths of experience.

E. Early Childhood Education Certificate – 24 units (All 8 modules).

F. Length of Education Service – Total Clock Hours 495.

G. Sequence, Frequency, and Modalities of Instructions

- The student may begin the program at the beginning of any module.
- **On-campus courses** are scheduled on Saturdays from 8:00am to 5:00pm. Each module includes an additional 10 hours of readings and projects.
- **Online courses** are scheduled on Saturdays from 8:00am to 5:00pm. Each module includes an additional 10 hours of readings and projects.
 - **Note:** Each instructor has 2 office hours available each week for individual instruction with students.
 - In some cases, it may take more than the allowed time to complete assignments. Time spent online is automatically logged for each student.
 - Classes are taught in an interactive, real-time environment.
 - The instructor will be in the online interactive classroom with all of the students.
 - Students can schedule personal meetings with teachers via the student’s virtual classroom portal.
- **DISTANCE LEARNER ASSESSMENT** of each student prior to enrollment verifies the skills and competencies to succeed in a distance education environment.

- **Prospective online students must be able to perform the following skills:**
 1. ___ Know how to print documents from their computers.
 2. ___ Know how to use the Internet.
 3. ___ Know how to use a web browser. (Firefox, Chrome)
 4. ___ Know how to use a search engine. (Google, Bing)
 5. ___ Able to use email, including how to attach an attachment to an email.
 6. ___ Know basic computer skills, including use of word-processing and spreadsheet software (Microsoft Word, Excel).
- **Devices required. Students will need the following to take part in Virtual Interactive online Classes:**
 - Computer (PC or Laptop)
 - High speed internet access, 8MBS/SCC download speed (minimum); cable connection is preferred.
 - Web cam
 - Headphones with microphone
- **ONLINE DISTANCE STUDENTS: Online students must have their webcam and must be visible throughout the entire class period to receive the full points. It is important that students are in an area that will allow focus on the class. Constant interruptions by surroundings or constantly leaving are unacceptable and may result in a deduction of attendance points. Students who do not have a webcam and headphones will not be accepted into the program.**

As a distance education provider, the institution shall allow no more than seven days to lapse between the institution's receipt of student lessons or projects, and the institution's mailing of its response or evaluation.

ECE107 – Intro. to ECE Environment

Description

FIELD TRAINING CLASS

Students will develop ways of examining environmental settings in a licensed Childcare Center and evaluate use of physical space and activity centers in terms of how they facilitate the program goals, through the study of ECERS. Students will work under the direct supervision of a fully qualified director. The director will evaluate the student teacher's performance.

Educational Objectives

- Evaluate a childcare center using ECERS rating scale.
- Design early childhood learning centers for effective environment across a range of curriculum areas.
- Plan an environment with equipment and materials that are age appropriate, varied and can be used by young learners with minimal help from adults.
- Develop a portfolio using photographs exemplified the seven intra-centers listed in ECERS.
- Perform in a professional manner in an Early Childhood classroom and as a team member.

Learning Outcomes

- Students will be able to set up 7 interest centers and produce photographs.
- Understand and execute the entire 42 points scale of ECERS.
- Will be able arrive early and ready to work on time.
- Can perform cleaning chores: cleans tables, sinks, toilets etc.
- Will be able to act quickly to prevent accidents or aggressive incidents.
- Will be able to be aware on the entire class even when working with one child.

Requirements for completion: Completion of 135 clock hours with a 4 point evaluation of a 2=C, 3=B and 4=A grade.

Length of Educational Program – 135 clock hours. Not to exceed 3 months

Sequence and Frequency of Lessons or Class Sessions – May be scheduled anytime during the year.

Standard Occupational Classification (SOC Code): 25-2011.00, 39-9011.00, 25-3031.00

ECE108 – Childcare Provider Practicum

Description

FIELD TRAINING CLASS

This course will provide students with the opportunity to develop observational strategies as well as opportunities to engage in learning experiences in the classroom. In this course the student will practice and demonstrate developmentally appropriate early childhood program and teaching competencies under the supervision of a qualified educational professional. Students will develop, present, and evaluate learning activities that promote positive development and learning for all young children. Student will have the opportunity to make connections between theory and practice, developing professional behaviors and increasing their knowledge of children and families. The final grade will be based on completion of training objectives along with the supervisor's evaluation and final report.

Educational Objectives

- Create a plan that identifies your priorities for future competency development.
- Evaluate the similarities, as well as the differences, among children of differing cultural backgrounds and how these relate to differences observed in their behaviors.
- Predict the different behaviors children display when resisting adult authority
- Use communication skills that aid in sending and receiving verbal and nonverbal messages.
- Implement a sequential approach to interpersonal problem solving.
- Use appropriate communication skills for conflict resolution.
- Perform in a professional manner in an Early Childhood classroom and as a team member.

Learning Outcomes

- Students will learn how to be well organized in the development and implementation of curriculum plans. They will be able to prepare materials in advance for curriculum activities.
- Understand to encourage all children to develop a sense of independence.
- Will be able to learn how to respect and listen to children.
- Will be able to assume his/her share of classroom responsibility.
- Will be able to share in the non-teaching responsibilities and tasks of teaching (e.g., feeding the pets, cleaning the kitchen).

Requirements for completion: Proof of completion of 90 clock hours with a 4 point evaluation of a 2= C, 3=B and 4=A grade.

Length of Educational Program – 90 clock hours. Not to exceed 3 months.

Sequence and Frequency of Lessons or Class Sessions – May be scheduled anytime during the year.

Standard Occupational Classification (SOC Code): 25-2011.00, 39-9011.00, 25-3031.00

Evaluation Methods

Students are evaluated by a qualified childcare center director. The evaluation includes student's activities, using the same tools used by supervising directors to enhance skill and teaching techniques. Students will produce a reflective journal.

Instructional mode or methods

The mode of instruction is individual conferencing, and self-reflection questions as well as an internship.

Journal Including

Student/Teacher will make at least one ten-minute daily entry, typed on days worked or volunteered, in a childcare center. Students should write about their experiences, occurrences, observations, feelings, questions, reflections, and other happenings during student teaching, as well as answering guiding questions addressed in the syllabus.

DESCRIPTION OF FACULTY AND THEIR QUALIFICATIONS

The Director

California College of Early Childhood Education was founded by B. Lee Campbell in 2002. He has more than 30 years of experience in the childcare. Mr. Campbell, a fully qualified Preschool Director, owns and operates Noah's Ark Preschools with six locations along the California Coast between San Francisco and Santa Barbara. Prior to this work, he was a Salvation Army Officer and a Pastor with the Church of the Nazarene. His educational attainments include:

- Graduate of the Salvation Army School for Officers Training, 1970
- Th. D. Degree from Grace Bible Institute, 1979
- M.A. Degree from Simpson College, 1991
- M. Min. Degree from Point Loma Nazarene College, 1996

Instructors

Amy Campbell, Assistant Director & Chief Education Officer, has been working in the Early Childhood Education field for over 20 years. She was a director of a preschool in Palo Alto for 5 years. She has a B.A. degree in Human Development from Pacific Oaks College in Pasadena, California. Amy completed her Master's degree at Pacific Oaks College in Human Development with a specialization in Leadership in Education and Human Services, a sub-specialization in College Teaching/ Teaching Adults.

Ethel Alandy holds a Master of Arts degree in Human Development with a specialization in Leadership in Education and Human Services from Pacific Oaks College (Pasadena, CA). She also graduated with an A.S. degree in Early Childhood Education from Skyline College (San Bruno, CA). She has over 20 years experience working in the Early Childhood profession, and concurrently serves as the Registrar for California College of ECE.

Daisy Hsieh graduated from the University of California, Davis, with a BS in Human Development with an emphasis in Child Development. She has over 25 years of experience working with young children, school age children, and children with special needs. She has operated three of her own preschools serving children from 18 months to 5 years old. In 2019, she has earned her M.S. in Early Childhood Education. Currently, she works as a Regional Manager overseeing 4 sites serving children 0-5 years old. She also had the opportunity to teach at the Professional Association of Childhood Educators, Conferences, and the UC Davis extension.

Stacey James has over 20 years experience as an early child educator and administrator. She earned a BA from Mills College (Oakland, CA) and an MA in Human Development from Pacific Oaks College (Pasadena, CA). She is fascinated by young children and their processes and believes passionately in the important of early childhood education.

Kathleen Zaragoza has worked in the field of Early Childhood Education for over 30 years. She has a B.A. degree in Sociology from the University of California, Santa Barbara and has over 32 ECE units. She has a child Center Permit as a Director. She has vast experience in the field and has worked as a day care owner, director, teacher, and mentor. She has enjoyed working in the public and private sector in both Southern and Northern California.

ADMISSIONS POLICY

This institution does NOT accept students from other countries; meaning, students that are here on a visa. This institution does not provide visa services, nor will the college vouch for student status. The College requires English as a Foreign Language students to take the TOEFL IBT test. All classes and class materials are taught in English. This institution does not provide ESL or translation services.

HIGH SCHOOL DIPLOMA

Each student admitted shall possess at minimum a high school diploma/G.E.D. or equivalent.

ACCEPTANCE OF CREDITS FROM OTHER INSTITUTIONS

CCECE will accept up to 12 units (50%) transfer credits toward the certificate on the following basis: Credits similar in description to the corresponding class at CCECE may be accepted. A duplication of credits already earned will not be awarded. Units that were earned at other institutions must be approved by the Bureau, or public or private institution of higher learning accredited by an accrediting association recognized by the U.S. Department of Education. Students will not receive credit for classes in which a grade lower than a "C" is earned. If you question your transfer evaluation, please contact the Director Mr. Campbell and request a review of your records again to ensure that a mistake has not been made.

EXPERIENTIAL CREDITS

This institution does not award credit for prior experiential learning.

ORIENTATION

- **New Student Orientation** is conducted by the instructor the first day of the module.
- **New Student Technology Orientation** for the online courses is conducted before the module starts by appointment with the Registrar.

ATTENDANCE, TARDINESS, DROP-OUT, AND LEAVE OF ABSENCE POLICIES

- **Attendance** is a primary factor in successful course completion. Fifty percent of the grade is attendance based. This institution requires that a student attend a minimum of 80% of scheduled classes. Students who are absent the first day will not be admitted to the class. Classes are not self-paced; there are set times and dates when students need to attend class. If a student misses one class or a total of 8 hours over the 5-week course, the highest grade they can receive is a "C". If a student misses more than one class, the student will have to retake the course.
- **Tardiness** – Each quarter hour of tardiness costs the student 4 percentage points. Tardiness is rounded to the nearest quarter hour. Therefore, 7 minutes rounds down to equal no penalty, 8 minutes rounds up to equal one-quarter hour.
- **Drop-out** occurs when the student fails to show for class after the first absence. The student will be graded an "F" and needs to repeat the course to gain credit and have the "F" removed from their record. The student who finds it necessary to dropout should contact the college as soon as possible and arrange to "withdraw" from the course or ask for an "incomplete" grade and arrange with the instructor to complete the course via book reviews and written reports. These shall be arranged on a case-by-case basis depending on the student's situation.
- **Leave-of-absence** may be granted for a variety of life situations which make it impossible for the student to continue in the course. A leave-of-absence may be granted for up to one year, allowing the student to repeat the course when it is offered again. The student who finds it necessary to take a leave-of-absence should contact the college as soon as possible to make arrangements. Students who are granted a leave of absence will need to reregister upon their return.

RE-ENTRY STUDENTS

A student who re-enters a module after an absence is required to start at the beginning of the module.

GRADING & STUDENT ASSESSMENT POLICY

This is the institution's standard for student achievement. The grading system is based on a 4.0 point system, a well-known grading system accepted by many of the colleges. According to this system, a statistical distribution of the class is done and the grading is done in the form of the quartile and a proof of meeting the class's minimum requirements.

A	4.0	Excellent
B	3.0	Good
C	2.0	Average
D	1.0	Below Average
F	0.0	Failing
W	(Not Calculated)	Withdraw
I	(Not Calculated)	Incomplete

GPA is calculated by multiplying the number of units of each class by the total number of classes and the respective grades. Then, the product is divided by the number of units.

Students seeking to dispute their grade should make every effort to try to resolve the problem with their instructor first. Students who are unable to resolve the problem with their instructor can submit a written appeal to the office within six weeks from the last day of the course that the grade was received from. No late paperwork will be accepted later than 2 weeks after each course has ended.

Student Assessment & Grading – Lecture Based Modules

- ECE101: Introduction to ECE Curriculum
 - ECE102: Child, Family and Community
 - ECE103: Child Development
 - ECE104: ECE Curriculum Planning
 - ECE105: Infant/Toddler Development
 - ECE106: Child Care Center Supervision and Administration
-
- **Attendance and participation (50%)** – Class attendance and participation is necessary both to discussion and in gaining understanding of the conceptual issues presented.
 - **Homework (20%)** – Students should thoroughly read the required textbook and complete assignments before class and pay critical attention to the major points/emphases of the material. Students will be asked to integrate aspects of the reading in class discussions.
 - **Exams (30%)** – Quizzes are given each week. A final exam is also given on the last day of the course.

Academic progress is assessed by the instructor of each course. This is done through instructor evaluation of lessons and projects. Additionally, there is a quiz each class meeting. The quiz covers the previous week's lecture, assignments, and discussions. Any student performing at less than 80% will be notified by the instructor and allowed to make-up/repeat the steps to achieve satisfactory progress. There should be no surprise at the final outcome.

Online students are required to have their webcam on and must be visible throughout the entire class period to receive the full credit for attendance. Online students will take all quizzes and exams in real time while being monitored by the instructor in the virtual classroom. To ensure that quizzes and exams are submitted on time, students must also submit all quizzes and exams while online and monitored by the instructor.

SATISFACTORY ACADEMIC PROGRESS POLICY

In order to continue in the course, students must maintain a GPA of 2.0 or higher.

PROBATION AND DISMISSAL POLICIES

A student must attain least a 2.0 grade point average. Academic probation warns the student that their academic performance is below average, and that they must improve their grade point average. Students are given a probationary period of one module to demonstrate that they can indeed make successful academic progress. When the student's grade point average reaches 2.0, they are removed from academic probation. Earning grades "F," "I," and/ or "W" for two consecutive modules or any three modules will also result the student being placed on academic probation.

RULES OF OPERATION AND CONDUCT

It is essential that the students participate in the learning environment of the college and refrain from any activities which disrupt the flow of education at the institution. The administration reserves the right to dismiss a student for any of the following reasons:

1. Continual disregard for the rules and regulations of the school.
2. Not showing academic progress.
3. Failure to pay the course tuition, fees, and charges.
4. Attending classes while under the influence or effects of alcohol, drugs or narcotics of any kind.
5. Bringing concealed or dangerous weapons to school.
6. Disorderly conduct that interferes with the academic pursuit of the school and its students and instructors.
7. Solicitation of any products or services.
8. Students may not bring children, relative, or others with them to class.
9. Students who are absent the first day will not be admitted to the class.

ACCIDENT REPORTING

Any accident on the campus must be reported immediately and the instructor will immediately contact the director. There is a form to be completed in the first aid kit in the Admissions office.

ADA – REASONABLE ACCOMMODATIONS POLICY

The College will make every effort to accommodate disabled students. The student needs to be aware that if he or she is seeking employment, the following duties statement is typical:

- Must be able to communicate to a child's eye level, maintain eye contact at child's level, stand tall enough to lift children on the highest piece of equipment, lift a minimum of 75 pounds in an emergency.
- Must have visual acuity to see and supervise children for a distance of 50 feet.
- Must be able to hear children speaking in a normal tone and any alarms.
- Must be able to reach a child 40 feet away within 20 seconds without danger to own health and able to travel throughout the school effortlessly and be able to evacuate the children in an emergency.

UNLAWFUL HARASSMENT POLICY & PROCEDURES

California College of Early Childhood Education is committed to maintaining the community as a place of work and study for faculty, administrators, staff, and students, free of sexual and other unlawful harassment, intimidation, and exploitation. The College does not tolerate behavior that constitutes sexual or other unlawful harassment of any member(s) of the college community.

The College remains committed to providing an environment free of sexual harassment and harassment because of race, color, religion, religious creed, ancestry, national origin, age, sex, marital status, citizenship status, military service status, sexual orientation, gender identity or expression, medical condition, disability and/or any other status protected by law. Prohibited harassment in any form, including verbal and physical conduct, visual displays, threats, demands, and retaliation is unlawful and will not be tolerated.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at California College of Early Childhood Education is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn in Early Childhood Education is also at the complete discretion of the institution to which you may seek to transfer. If the credits or certificate that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending California College of Early Childhood Education to determine if your credits will transfer.

STUDENTS RIGHTS

Cancellation, Withdrawal and Refund Policy for On-Campus and Online Courses

A. Tuition Refund upon Cancellation of Enrollment Agreement

The institution for all students, without penalty or obligation, shall refund 100 percent of the amount paid for institutional charges, minus the registration fee, if notice of cancellation is made through attendance at the first class session or the seventh day after enrollment, whichever is later. The institution advises each student that any notification of withdrawal or cancellation and any request for a refund is required to be made in writing.

B. Tuition Refund Policy

The institution shall refund the unused portion of tuition fees and other charges if the student does not register for the period of attendance or withdraws there from at any time prior to completion of the course, or otherwise fails to complete the period of enrollment. The institutional refund policy for students who have completed 60 percent or less of the course of instruction shall be a pro rated refund.

The refund shall be calculated as follows:

1. Deduct a registration fee
2. Divide this figure by the number of hours in the program.
3. The quotient is the hourly charge for the program.
4. The amount owed by the student for the purpose of the calculation of a refund is derived by multiplying the total hours attended by the hourly charge for instruction plus the amount of the registration fee specified in paragraph (1).
5. The refund shall be any amount in excess of the figure derived in paragraph (4) that was paid by the student.

C. Tuition Refunds and Time for Payment

The institution shall pay refunds due on a reasonable or timely basis, not to exceed 30 days following the date upon which the student's withdrawal has been determined.

If a student decides to withdraw at any time prior to completion from a field training course, the entire tuition will be refunded.

The student has the right to cancel the enrollment agreement and obtain a refund by:

- 1) Providing a written notice to Mr. B. Lee Campbell, California College of Early Childhood Education at 1670 South Amphlett Blvd Suite 214-38, San Mateo, CA 94402 or Fax (650) 573-5741.

- 2) Mailed or faxed notification will be calculated for refund beginning on the date post marked. Please provide a self-addressed, stamped envelope for the college to send your refund check to you.
- 3) Refunds will be issued within 30 days from the post marked date.

QUESTIONS OR COMPLAINTS

If deemed desirable, complaints may be made in written form and addressed to the attention of Mr. Campbell at California College of Early Childhood Education, 1670 South Amphlett Blvd, Suite 214-38, San Mateo, CA 94402.

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, or P.O. Box 980818, West Sacramento, CA 95798-0818, www.bppe.ca.gov, (888) 370-7589 or by fax (916)263-1897.

GRIEVANCES

Students should raise concerns as early as possible after an incident has occurred relating to the grievance. Any questions or problems concerning this school should be brought to the attention of Mr. B. Lee Campbell. He may be contacted at (650) 349-3370. Both the complainant and the respondent will receive appropriate information, support, and assistance in resolving the grievance. Whenever feasible, grievances should be resolved by a process of discussion, cooperation, and reconciliation, with the mean of reaching a satisfactory conclusion that decrease any possible loss to continuing work or study relationships.

A student, or any member of the public, may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 or by completing a complaint form, which can be obtained on the bureau's internet web site, www.bppe.ca.gov.

STUDENT TUITION RECOVERY FUND (STRF) POLICIES

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. **The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.**

2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.
